Policy Guidelines and Rules of Conduct

Fees & Registration

- Fees must be paid in full before the beginning of every session. Fees are paid **globally per session and not per activity**.
- If you are experiencing **financial hardship**, please contact us for assistance.
- Kids must be registered in order to attend club activities. For security reasons, **if your child is not registered they will be sent to the office to be picked up**.
- Instruct your children (grades 2nd and above) to come directly to the club activity location. **Those who arrive more than 10 minutes late will be sent to the office** to be picked up.
- If you know in advance that your child will not attend, please let us know.
- Parents are to update us ASAP if **contact info has changed**.

Expectations of Behavior

- We will be using the “**3 strikes**” policy to address behavioral issues. We have a **zero tolerance policy for any and all types of violent behaviors**.
- Instruct your children to behave respectfully towards their peers and educators, just as they would be expected in a regular classroom.
- **NO Cell phones and/or smart watches during activity**. In cases of emergency, please instruct your children to speak to any of the adult volunteers for guidance.

Pick Up

- **Please be respectful of the activity and pick up at its end** and not earlier.
- We will **not allow minors, such as siblings, friends, or family members to pick up** any of the club members. Authorized adults only.

Volunteering & Donations

- We understand that family and work life are consuming. However, this club needs parental involvement. **We ask each of you to try and find ways you can help**. It can be by helping during club activities, donating necessities, or good & services that could be beneficial.
- **This club is financially dependent on registration fees** and the occasional fundraiser. If you are willing and able, any additional donations are welcome.

The Blue & White club was founded with the intention of instilling a sense of community and belonging to our children. It is all inclusive and open to anyone who shows interest in our vision & values; regardless of religious preferences, race or ethnicity. We expect EVERYONE to be respectful of one another and we will do everything in our ability to ensure it is upheld.

If you have any comments or questions, or would like to offer your opinion, our doors are always open.

Thank you,

Blue & White Club
